SCHEDULE OF POINTS EFFECTIVE MAY 11, 2011

For complete Conformation Championship requirements see Chapter 16 of the *Rules Applying to Dog Shows*

The Points toward a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety. If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety competition and that have been defeated in competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points. If the dog designated Winners Dog or Winner Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of its own sex that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points. After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater. In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

Such substitution must be accompanied by an official AKC entry form. All such substitutions must be made one half-hour prior to the judging of any Junior Showmanship Classes at the show. Each dog must be owned or co-owned by the Junior Handler or by the Junior Handler's father, mother, brother, sister, uncle, aunt, grandfather or grandmother, including step and half relations or by a member of the Junior Handler's household. Every dog entered for Junior Showmanship must be eligible to compete in Dog Shows or in Obedience Trials. BITCHES IN SEASON ARE NOT ELIGIBLE. A dog that has been excused or disqualified by a Breed Judge or by a Bench Show Committee may still be handled in Junior Showmanship if eligible to compete in Obedience Trials. A dog that has been rejected, dismissed, or excused by the Veterinarian for the protection of the other dogs at the show or for the protection of the dog excused may not be handled in Junior Showmanship. Junior Handlers who win a third Novice Class with competition present after the closing of entries for a show may transfer their entry from the Novice Class to the Open Class provided that this transfer is made by the Secretary at least one half-hour prior to the scheduled start of any regular conformation judging or one half-hour prior to the scheduled start of Junior Showmanship judging at the show, whichever is earlier.
